PROFILE

I'm a first-year Computer Engineering student at ENSA Oujda, passionate about web development and programming. I'm curious, self-motivated, and eager to learn. I'm currently looking for an introductory internship where I can apply my skills, explore the professional world, and contribute to real projects that make a difference.

EDUCATION

National School of Applied Sciences (ENSA)

Engineering Degree in Computer Engineering

Oujda

July 2027 (Expected)

- **Key courses:** Data Structures and Algorithms, Object-Oriented Programming, Database Management, Computer Architecture

SKILLS

Programming Languages: C, C++, Java, Python, PHP, JavaScript

Web Development: HTML, CSS, JavaScript

Tools Technologies: Git/GitHub, VS Code, Jupyter Notebooks, NetBeans, WAMP Server

Databases: MySQL, SQLite

PROJECTS

Personal Budget Manager (Java, JavaFX, CSS, File I/O) :

- Developed a desktop application with a modern graphical user interface
- Visualized expenses by category using interactive charts
- Implemented full CRUD functionality with local data storage

School Grades Management System (HTML, CSS, PHP, MySQL) :

- Built a secure web application for managing student grades
- Implemented session-based user authentication
- Designed and managed a MySQL database
- Developed a responsive and user-friendly interface

Personal Portfolio Website (HTML, CSS, JavaScript) :

- Designed and developed a personal website to showcase projects
- Built a clean, modern, and fully responsive UI

ACTIVITIES & CLUBS

Path2Tech - Génie Informatique Club

Leader

Oujda

Oct 2024 – Présent

- Lead a team of 10+ members to design and share career roadmaps in IT for students
- Raise awareness among students about various professional paths in the tech industry

LANGUES

Arabic: Native

French: Upper-Intermediate (CEFR B2)

English: Advanced (CEFR C1)
